MANHATTAN
BRINGING COMPUTERS TO LIFE

Hi-Speed USB 2.0 DVD Reader/Writer

External, Multi-Format Capability

Model
179966

Compact size with full-function, multi-format capability.

Ideal for desktop and notebook computers without an internal or operational DVD drive, the MANHATTAN® Hi-Speed USB 2.0 DVD Reader/Writer easily stores and transfers favorite music, photos, video and data to CD or DVD media. Equipped with Super AllWrite technology, digital content can be quickly written to any disc type including DVD +/- R(W), DVD- RAM and Double Layer for a full range of recording applications and storage options. Popular multi-media Nero software is included (version 7.5.11.3 or higher) to easily help create, rip, copy, burn, edit, uphold and share integrated digital media with family and friends. Windows compatible with Plug and Play capability, the MANHATTAN Hi-Speed USB 2.0 DVD Reader/Writer is bus-powered and hot-swappable for quick installation without an external power supply into any USB port. An onboard port accepts a power adapter (not included) for those who prefer to a direct power source. Its slim, lightweight design easily fits on desktops and into notebook computer cases for travel and use almost anywhere.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
